

Oxygenics® Wall Mounted eco-Showerheads

All Oxygenics® showerheads incorporate patented technology to provide a superb, oxygenated shower experience at flow rates below 9.5 litres per minute, saving water and power. All exceed ANSI (American National Standards Institute) requirements for water-efficient showerheads.

Prices listed are recommended retail for single units or small quantities. Significant volume discounts are available on larger orders. Please contact our office for wholesale volume discount rates.

Limited lifetime warranty against manufacturers defects or clogging applies to most models (see www.eternallysolar.com for details)*
